Resolution No. 01  
Series 2001

RULES AND REGULATIONS TO IMPLEMENT THE  
PROVISIONS OF REPUBLIC ACT NO. 8981,  

Pursuant to Section 17 of Republic Act No. 8981, the PRC Modernization of Act of 2000, the following rules and regulations are hereby promulgated to implement the provisions of the said Act.

Rule I  
TITLE, POLICY STATEMENT, DEFINITION OF TERMS

Section 1. Title. This Rules and Regulations shall be known as the Rules and Regulations Implementing the Provisions of Republic Act No. 8981, otherwise known as The PRC Modernization of 2000. For brevity, it may be cited as IRR of the PRC Modernization Act of 2000.

Sec. 2. Statement of Policy. The State recognizes the important role of professionals in nation-building and toward this end promotes the sustained development of a reservoir of professionals whose competence has been determined by honest and credible licensure examinations and whose standard of professional service and practice are internationally recognized and considered as world class brought about by regulatory measures, programs, and activities that foster professional growth and advancement.

These rules shall be interpreted in the light of the Statement of Policy found in Section 2 of Republic Act No. 8981, as restated above.

Sec. 3. Definition of Terms. As used in this Rules and Regulations, unless specifically provided in the various professional regulatory or other laws, the following terms shall be understood to mean:

a) Accredited Professional Organization (APO) refers to a professional organization which may now or hereafter be accredited by the Commission.

b) Board refers to a Professional Regulatory Board (PRB) created by law, decree, or other issuance pursuant to law to regulate a specific profession or group of professions.

c) Commission refers to the Professional Regulation Commission created under Republic Act No. 8981.

d) Foreign Professional refers to foreign nationals who, being licensed professionals in their own countries, are allowed to practice their respective
professions in the Philippines under the provisions of subsections (j) and (l) of Section 7 of Republic Act No. 8981.

e) Modernization refers not only to the computerization of all licensure examinations given by the various professional boards including the registration of professionals and other operations of the Commission, but also to the adoption and application of new techniques and technologies in the regulatory and executive functions of the Commission and the Professional Regulatory Boards.
f) Practicing Professional refers to persons who are engaged in the practice of their respective professions or are performing acts or activities, whether regularly or occasionally, including those holding positions in the government or in private firms, companies or corporations, whose duties require knowledge and application of their respective professions as defined in the various regulatory laws.
g) Professional refers to a person whose name and registration/professional license number is entered in the Commission registry book and computerized data as one who (is) legally authorized to practice his profession.

Rule II
THE PROFESSIONAL REGULATION COMMISSION: ITS ORGANIZATION, POWERS AND FUNCTIONS

Sec. 1. The Professional Regulation Commission. - The Professional Regulation Commission is a three-man commission created under the provisions of Republic Act No. 8981, hereafter referred to as the Commission, which shall be attached to the Office of the President of the Philippines for general direction and coordination.

Sec. 2. Composition of the Commission. - The Commission shall be headed by one (1) full-time Chairperson and two (2) full-time Commissioners, all to be appointed by the President for a term of seven (7) years without re-appointment to start from the time they assume office.

Sec. 3. Vacancies. – Any vacancy occurring before the expiration of the term of a Commissioner shall be filled only for the unexpired portion of the term of the immediate predecessor.

At the expiration of the term of the Chairperson, the most senior of the Commissioners shall temporarily assume and perform the duties and functions of the Chairperson until a permanent Chairperson is appointed by the President.

Sec. 4. Qualifications of Chairperson or Commissioner. – The Chairperson or Commissioners shall be at least forty (40) years of age, holding a valid certificate of registration/professional license and a valid professional identification card or a valid certificate of competency issued by the Commission or a valid professional license issued by any government agency, familiar with the principles and methods of professional regulation and/or licensing and has had at least five (5) years of executive or management experience: Provided, That, one of the Commissioners must be a past Chairperson/Member of a Professional Regulatory Board.
Sec. 5. Exercise of Powers and Functions of the Commission. – The Chairperson of the Commission and the Commissioners as members thereof shall sit and act as a body to exercise the general administrative, executive and policy-making functions of the Commission. The Commission shall establish and maintain a high standard of admission to the practice of all professions and at all times ensure and safeguard the integrity of all licensure examinations.

Sec. 6. Powers and Functions of the Commission Chairperson. – The Chairperson shall act as the presiding and chief executive officer of the Commission. As presiding officer, he/she shall preside over the meetings of the Commission sitting as a collegial body. As chief executive officer of the Commission, he/she shall be responsible for the implementation of the policies and the programs adopted by the Commission for the general administration of the Commission. He/She shall perform such other activities which are necessary for the executive exercise of the powers, functions, and responsibilities of the Commission.

Sec. 7. Compensation and Other Benefits. – All officials and employees of the Commission shall receive their compensations, allowances, including other fringe benefits in accordance with Republic Act No. 6758, as amended: Provided, That the Chairperson shall receive compensation and allowances equivalent to the Department Secretary while the Commissioners shall receive compensation and allowances equivalent to that of an Undersecretary: Provided, further, That the retirement benefits of the Chairperson and the Commissioners shall be in accordance with Republic Act No. 3595.

Sec. 8. Powers, Functions and Responsibilities of the Commission. – The powers, functions and responsibilities of the Commission are as follows:

a) To administer, implement, and enforce the regulatory policies of the national government, with respect to the regulation and licensing of various professions and occupations under its jurisdiction including the enhancement and maintenance of professional and occupational standards and ethics, through programs for continuing professional development, among others, and the enforcement of the functions, and enforcement of the rules and regulations relative thereto: Provided, That this shall not diminish the powers, functions and responsibilities granted by the different professional regulatory laws to the various Boards to promulgate professional, occupational, and ethical standards as well as to administer, implement and enforce the same.

b) To perform any and all acts, enter into contracts, make such rules and regulations and issue such orders and other administrative issuances as may be necessary in the execution and implementation of its functions and the improvement of its services: Provided, That, all contracts shall be entered into in accordance with accounting and auditing rules and regulations.

c) To review, revise and approve resolutions, embodying policies promulgated by the Boards in the exercise of their powers and functions or in implementing the laws regulating their respective professions and other official actions on non-ministerial
matters within their respective jurisdictions subject to the provisions of the various professional regulatory laws.

d) In the exercise of its functions to establish and maintain a high standard of admission to the practice of all professions and ensure the integrity of its licensure examinations:

1. To administer and conduct the licensure examinations of the various regulatory boards in accordance with the rules and regulations promulgated by the Commission.

2. To determine and fix the places and dates of examinations, subject to the provisions of the various professional regulatory laws; use publicly or privately owned buildings and facilities for examination purposes.

3. To conduct more than one (1) licensure examination per year subject to the provisions of the various professional regulatory laws: Provided, That, when there are two (2) or more examinations given in a year, at least one (1) examinations shall be held on weekdays (Monday to Friday): Provided, further, That, if only one (1) examination is given in a year, this shall be held only on weekdays: Provided finally, That the Commission shall furnish, at the beginning of the calendar year, an annual Master Schedule of Examinations to schools, colleges and universities, public and private, offering courses for licensure examinations.

4. To require, upon the recommendation of the Board concerned, the completion of a refresher course where the examinee has failed three (3) times to pass an examination, except as otherwise provided by law.

5. To approve the results of examinations and the release of the same.

6. To adopt measures to preserve the integrity and inviolability of licensure examinations; appoint supervisors and room watchers from among the employees of the government and/or private individuals with baccalaureate degrees, who have been trained by the Commission for the purpose and who shall be entitled to a reasonable daily allowance for every examination day actually attended, to be determined and fixed by the Commission.

7. To publish the list of successful examinees in a newspaper of nationwide circulation within the Philippines, not later than forty-eight (48) hours from the release of the same by the Commission.

8. To provide schools, colleges and universities, public and private, offering courses for licensure examinations, upon their request in writing and upon their payment of the prescribed fees, with copies of the sample test questions on examinations recently conducted by the Commission, within six (6) months from date of the release of the examination results. Copies of the syllabi or terms/tables of specifications of subjects for licensure examinations may also be furnished the above parties upon their request in writing and upon their payment of the prescribed fees.

9. To impose the penalty of suspension or prohibition from taking licensure examinations to any examinee charged and found guilty of violating the rules and regulations governing the conduct of licensure examinations promulgated by the Commission.
e) In the exercise of its power to admit successful examinees to the practice of the profession or occupation:

1. To admit the successful examinees to the practice of the profession or occupation.

2. To cause the entry of the names of the successful examinees to the practice of profession or occupation in its registry book and computerized database.

3. To issue certificates of registration/professional license, bearing the registrant’s name, picture, and registration number, signed by all the members of the Board concerned and the Chairperson, with the official seal of the Board and the Commission affixed thereto, which certificate shall be the authority to practice: Provided, That, once a certificate of registration/professional license, or certificate of competency, in the case of marine deck and engine officers are issued, this cannot be withdrawn, cancelled, revoked, or suspended except for just cause as may be provided by law after due notice and hearing.

4. To ministerially issue, at the option of the professional concerned the professional identification card, to be used solely for the purpose of identification, upon payment of the appropriate amount: Provided, That, marine deck and marine engineer officers shall also be issued endorsement certificates exclusively by the Commission pursuant to the 1978 and 1995 Standards of Training, Certification and Watch-keeping (STCW) Convention, to the exclusion of any other government agency, Section 1(2) of Executive Order No. 149, Series of 1999 and provisions of other existing laws, executive orders, administrative issuance/regulations to the contrary notwithstanding.

f) To have custody of all the records of the various Boards, including examination papers, minutes of deliberation, records of administrative cases and investigations and examination results for control and disposition.

g) To determine and fix the amount of fees to be charged and collected for examination, registration, registration without examination, professional identification card, certification, docket, appeal, replacement, accreditation, including surcharges and other fees not specified under the provisions of Republic Act Numbered Four Hundred Sixty Five as amended by Republic Act Numbered Sixty Five Hundred and Eleven or to charge and collect reasonable fees at the rates higher than the rates provided thereunder subject to the approval by the Office of the President.

h) To appoint subject to the Civil Service laws, rules, and regulations, officials and employees of the Commission necessary for the effective performance of its functions and responsibilities; prescribe their duties and fix their compensation subject to the provisions of Republic Act No. 6758 and allowances including other fringe benefits; and to assign and/or reassign personnel as the exigency of the service requires subject to the Civil Service laws, rules and regulations.

i) To organize or reorganize the structure of the Commission; and create or abolish positions or change the designation of existing positions in accordance with a staffing pattern prepared by it and approved by the Office of the President upon the recommendation of the Department of Budget and Management (DBM) to meet the changing conditions or as the need arises: Provided, That, such changes shall not affect
the employment status of the incumbents, reduce their ranks and/or salaries nor shall result in their separation from the service.

i) To submit and recommend to the President of the Philippines the names of licensed/registered professionals for appointment as members of the various Professional Regulatory Boards from among those nominated to fill up vacancies pursuant to the provisions of Executive Order No. 496, Series of 1991.

k) To approve, upon recommendation of the Professional Regulatory Board concerned, the registration without examination and the issuance of the corresponding certificate of registration and professional identification card to a foreigner who is registered under the laws of his state or country and whose certificate of registration issued therein has not been suspended or revoked: Provided, That, the requirements for the registration or licensing in said foreign state or country are substantially the same as those required and contemplated by the laws of the Philippines and that the laws of such foreign state or country allow the citizens of the Philippines to practice the profession on the same basis and grant the same privileges as those enjoyed by the subjects or citizens of such foreign state or country: Provided, further, That, the Commission may, upon recommendation of the Board concerned, authorize the issuance of a certificate of registration/license or a special temporary permit to foreign professionals who desire to practice their professions in the country under reciprocity and other international agreements; consultants in foreign-funded, joint venture or foreign-assisted projects of the government, employees of Philippine or foreign private firms or institutions pursuant to law, or health professionals engaged in humanitarian mission for a limited period of time: Provided, finally, That agencies, organizations or individuals whether public or private, who secure the services of a foreign professional authorized by law to practice in the Philippines for reasons aforementioned, shall be responsible for securing a special permit from the Professional Regulation Commission (PRC) and the Department of Labor and Employment (DOLE), pursuant to their respective rules.

l) To authorize any officer of the Commission to administer oaths

m) In the exercise of its authority to supervise the practice of the regulated professions:

1. To supervise foreign nations who are authorized by existing laws to practice their professions either as holders of a certificate of registration and a professional identification card or a temporary special permit in the Philippines.

2. To ensure that the terms and conditions for their practice or of their employment are strictly complied with.

3. To require the hiring or employing government agency or private entity/institution to secure a temporary special permit from the concerned Board subject to approval by the Commission and to file a criminal complaint against the head of the government agency or officers of the said private entity/institution, who shall be liable under the penalty imposed pursuant to the provisions of Section 16 of Republic Act No. 8981, when the foreign national was hired and allowed to practice his/her profession without permit.

4. To file, upon compliance with the requirements of due process, a request with the Bureau of Immigration and Deportation (BID) for deportation of foreign nationals who violate the provisions of Republic Act No. 8981 and the various regulatory laws.
5. To supervise professionals who were former citizens of the Philippines and who had been registered and issued a certificate of registration and a professional identification card prior to their naturalization as foreign citizens, who may, while in the country on a visit, sojourn or permanent residence, practice their profession: Provided, That, prior to the practice of their profession they shall have first been issued a special permit and updated professional identification card by the Board concerned subject to approval by the Commission and upon payment of the permit and annual registration fees.

n) To monitor the performance of schools in licensure examinations and publish the results thereof in a newspaper of nationwide circulation.

o) To adopt and institute a comprehensive rating system for universities, colleges, and training institutes based on the passing ratio and overall performance of students in board examinations.

p) To exercise administrative supervision over the various professional regulatory boards and its members.

q) To adopt and promulgate such rules and regulations as may be necessary to effectively implement policies with respect to the regulation and practice of the professions.

r) To implement the program for the full computerization of all licensure examinations given by the various professional regulatory boards including the registration of professionals not later than the year 2003 and other operations of the Commission.

s) To investigate and decide administrative matters involving officers and employees under the jurisdiction of the Commission.

t) To investigate motu proprio or upon the filing of a verified complaint, any member of the Professional Regulatory Boards for neglect of duty, incompetence, unprofessional, unethical, immoral or dishonorable conduct, commission of irregularities in the licensure examinations which taint or impugn the integrity and authenticity of the results of the said examinations and, if found guilty, to revoke or suspend their certificates of registration and professional licenses/identification cards and to recommend to the President of the Philippines their suspension or removal from office as the case may be.

u) To issue summons, subpoena and subpoena duces tecum in connection with the investigation of cases against officials and employees of the Commission and the members of the Professional Regulatory Boards.

v) To hold in contempt an erring party or person only upon application with a court of competent jurisdiction.

w) To call upon or request any department, instrumentality, office, bureau, institution or agency of the government including local government units to render such assistance as it may require, or to coordinate or cooperate in order to carry out, enforce or implement the professional regulatory policies of the government or any program or activity it may undertake pursuant to the provisions of Republic Act No. 8981.

For the orderly implementation of this provision, the Commission may enter into a Memorandum of Agreement with the different departments, instrumentalities, offices, bureaus, institutions or agencies of the government including local government units,
providing for the procedures to be followed whenever there is such a call or request for assistance, coordination or cooperation.

x) To initiate an investigation, upon complaint under oath by an aggrieved party, of any person, whether a private individual or professional, local or foreign, who practices the regulated profession or occupation without being authorized by law, or without being registered with and licensed by the concerned regulatory board and issued the corresponding license/professional identification card or temporary or special permit, or who commits any of the prohibited acts provided in the regulatory laws of the various professions, which acts are criminal in nature, and if the evidence so warrants, to forward the records of the case to the office of the city or provincial prosecutor for the filing of the corresponding information in court by the lawyers of the legal services of the Commission who may prosecute said case/s upon being deputized by the Secretary of Justice.

y) To prepare an annual report of accomplishments on the programs, projects and activities of the Commission during the year for submission to Congress after the close of its calendar year and make appropriate recommendations on issues and/or problems affecting the Commission, the Professional Regulatory Board, and the various professions under its jurisdiction.

z) To perform such other functions and duties as may be necessary to carry out the provisions of this Act, the various professional regulatory laws, decrees, executive orders and other administrative issuance.

Sec. 9. Regional Offices. – The Commission is hereby authorized to create regional offices as may be necessary to carry out their functions mandated under Republic Act No. 8981.
