**SUBJECT : LAWS AND REGULATIONS ON THE PRACTICE OF THE
REGULATED PROFESSION OF ARCHITECTURE**

Dear Sirs/ Mesdames,

Warm greetings from the Professional Regulatory Board of Architecture (**PRBoA**)!

The **PRBoA** is the entity under the Professional Regulation Commission (**PRC**), primarily tasked to oversee the full implementation and enforcement of **R.A. No. 9266** (in effect since 10 April 2004), its **IRR** (in effect since 01 December 2004) and its derivative regulations (in effect and issued and approved by the **PRC** since the 1970s, including the 2006 **Code of Ethics**, please refer to attachments).

In its continuing campaign for the full implementation and enforcement of **R.A. No. 9266**, the **PRBoA** has focused on an information dissemination campaign with the **judicial** and **legislative** branches of government for 2008, starting with courts/agencies/offices handling cases related to architectural practice. For the year 2007, the information campaign was focused solely on the **executive** branch of government (national and local).
