SUBJECT : **REQUEST FOR INFORMATION ON CASE FILED VS. A CIVIL ENGINEER (CE NAMED SANTY) FOR VIOLATION OF R.A. 9266 (THE ARCHITECTURE ACT OF 2004) BEFORE THE MAY 2005 COURT ISSUANCE OF AN INJUNCTION ON SECS. 302.3 AND 302.4 OF THE 2004 REVISED IRR OF P.D. 1096 (THE 1977 NATIONAL BUILDING CODE OF THE PHILIPPINES)**

REFERENCES: Complaint vs. Engr. Santy submitted to the DoJ by the PRC

Dear Madam,

Warm greetings!

The **PRBoA** requests information on the status of the complaint filed by Architect Winstoney Salceda of Naga City against Engr. Santy, also of Naga City, earlier submitted by the PRC to the DoJ for resolution.

The case is a very important and nationally significant one since Engr. Santy is the proxy of the 106,000-odd member corps of civil engineers (CEs) represented by the Philippine Institute of Civil Engineers (PICE) while the complainant is a private person (and practicing architect), not yet representing the United Architects of the Philippines (UAP), but nonetheless upholding the implementation and enforcement of R.A. No. 9266 (The Architecture Act of 2004), its IRR and derivative regulations.

Thank You very much for the consideration You shall give this very important matter.

Yours sincerely,
for the PRBoA
