SUBJECT : REQUEST FOR THE PRC TO CONVENE AN OFFICIAL MEETING BETWEEN THE PRBoA, THE PRBoEP, THE PRBoCE AND THE PRBoGE ON THE MATTER OF THE SIGNATORY TO SUBDIVISION PLANS

REFERENCE : Official PRBoA, PRBoEP and PRBoGE Position Papers received at PRC and the 10 May 2007 Meeting of the PRC Chairperson and the PRBoA

Madam Chair,

Warm Greetings!

The Professional Regulatory Board of Architecture (**PRBoA**) requests the conduct of an official PRC meeting with the Professional Regulatory Board of Environmental Planning (PRBoEP), the Professional Regulatory Board of Geodetic Engineering (PRBoGE) and the Professional Regulatory Board of Civil Engineering (PRBoCE) to ascertain these other Professional Regulatory Boards (PRBs)' official stand on the matter of the preparation, signing and sealing of **subdivision plan** documents.

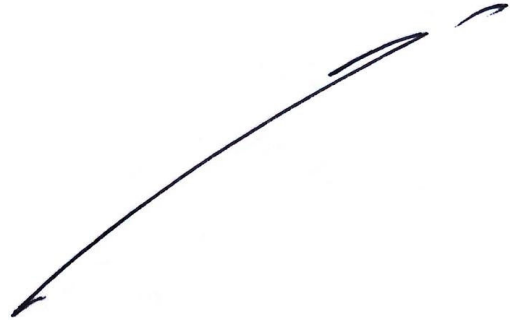

The PRBoA maintains that site and physical planning including subdivision plan preparation form part of the scope of work of architects under RA 9266 (The Architecture Act of 2004). The PRBoA also believes that the only other regulated technological profession allowed under law to prepare subdivision plans is the Environmental Planner.

The PRBoA trusts that the PRC shall oversee the conduct of the said meeting, which could be held sometime early to mid-June 2007 to enable the 4 PRBs to prepare fully. The results of the said meeting shall guide the PRBoA in its future actions geared towards the full implementation and enforcement of RA 9266, its IRR and derivative regulations.

The PRBoA trusts that the Commission shall be able to convince the PRBoEP, the PRBoGE and the PRBoCE to meet the PRBoA soonest to try to settle issues within PRC confines and to help attain a certain measure of industrial peace within the regulated professional community. Thank You.

Yours sincerely,

For the PRBoA
